

How to order INVISTA Hangtags online?

This step-by-step guide is to assist first time user for ordering INVISTA hangtags online.

Information needed before your start:

- an internet connection
- details of your company
- details of hangtag delivery address (if this is different from your address)
- the brand and type of hangtag you are requesting and it's reference code
- garment information: garment type, name of buyer or garment brand
- fabric details: fabric qualification code or fabric style number, composition, weight & measurement
- details of the fabric supplier

After submitting the online request, please send the required supporting documents and fabric sample as soon as possible to the designated INVISTA office or lab. Without the fabric sample and supporting documents we cannot process your request.

Appendix - Common Problems and Tips

1. Go to INVISTA online hangtags ordering website

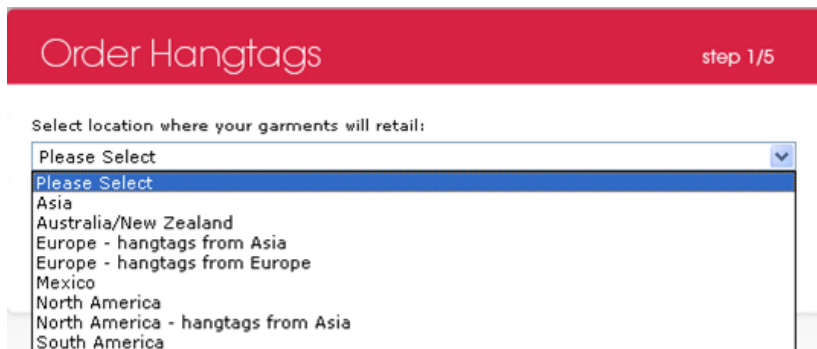

<http://hangtags.invista.com>

2. Select the language of website (user interface)

3. Answer where the garments will retail

We need to know where you ship the garments because different hangtags are for different regions. This is important for you to get the right hangtag suitable for the right consumer market place. If you are not sure, please ask your garment buyer who places the garment orders with you.

4. “Select Brand” - Select the INVISTA brand of hangtag you require

Note : Adidas hangtags can only be ordered by Adidas authorized partners

5. “Tags” - Select the hangtag (or sticker) you require

If you are not sure with the hangtag ref code, please ask your garment buyer who places the garment orders with you.

1. Select Brand		2. Tags		3. Shipping Information		4. Fabric & Garment		5. Review & Submit	
Hangtag Ref. Code	Image	Description			Quantity

8.4 To confirm understanding of “Trademark Rules” and the legal acknowledgement for INVISTA hangtags.

- Our trademarks are very important asset of INVITA, please read the trademark rules and the legal acknowledgement below before submitting your order.

INVISTA Trademark Rules

RULES FOR USE OF INVISTA TRADEMARKS

- 1. BE DISTINCTIVE.** Make the trademark distinctive from the surrounding text each and every time. Use ALL CAPS or Initial Caps. Optional distinctive type styles are bold, italicize or color for the entire trademark. However, the generic should not be made distinctive; for example keep the generic in lower case such as LYCRA® fiber.
- 2. SHOW REGISTRATION STATUS.** If the trademark is registered, show the proper registration status each and every time the trademark appears by using the symbol ®.
- 3. A TRADEMARK IS AN ADJECTIVE.** Trademarks are adjectives and must modify the correct generic term for the product, eg., correct use: clothing with LYCRA® fiber. Trademarks are not nouns, verbs or adverbs, and should never be used in that manner, eg., incorrect use: LYCRA® clothing.
- 4. DO NOT CHANGE THE TRADEMARK.** The Trademark must be used only in the exact form in which it is registered. Therefore, do not use a trademark in the possessive form or hyphenate, separate or split a trademark even if at the end of a line of text - and do not make a trademark plural.

By clicking below I confirm that the fabric in use complies to the LYCRA® standards and trademark rules shown below.
